First Class Guaranteed Auto Protection

Protect your investment.

We hope it never happens to you. But each year, many vehicles are totaled in events such as a collision, theft or natural disaster. In many cases, the insurance settlement does not cover the balance owing on the loan. By adding just a few dollars to your monthly vehicle payment, Mercedes-Benz Financial Services First Class Guaranteed Auto Protection product will protect your financial investment and give you added peace of mind.

Mercedes-Benz

Relax. You're Covered.

If your Mercedes-Benz vehicle is declared a total loss in an accident or is stolen and is not recovered within 30 days, there can be a significant difference between the amount your insurance company will cover and the balance owed to Mercedes-Benz Financial Services. First Class Guaranteed Auto Protection (GAP) not only covers this difference, but it will also waive up to \$1,000 of your insurance deductible, if charged by your primary insurance carrier.

Consider this scenario: You purchase a \$60,000 Mercedes-Benz vehicle. One year later, the vehicle is involved in an accident that totals your vehicle, the following scenario illustrates how First Class Guaranteed Auto Protection works:

\$55,000	(Balance owing on the loan)
- \$49,000	(Market value of \$50,000 less insurance deductible of \$1,000)
\$6,000	(Your potential out-of-pocket expense)
- \$6,000	(Waived by First Class Guaranteed Auto Protection)
\$0	(Amount you owe)
